Religious Education

I will be leaving my job as Director of Religious Education next week. I have enjoyed working here at St. Francis and I sincerely appreciate the support from all the priests, teachers, parents and youth provided to me during my 27 years. They have been some of the best years of my life. Working here has been such a wonderful experience, and I will cherish the memories forever. I am looking forward to experiencing what God has in store for me next.

Your prayers and financial support of Rachel Pregnancy Center are making a difference.

When I found **Mandy's Story***

out I was pregnant, I had no idea what I was going to do. I planned to get an abortion, and then I heard about Rachel Pregnancy Center. When I went there I was so scared because I thought they were going to judge me. I was surprised when they accepted me, and everyone was kind and understanding.

My Rachel Center counselor offered me hope and told me God had a plan for my life and for my baby. She told me that God would take care of both my baby and me IF I would let Him. She also told me that the people at Rachel Center would help me. That day I chose life for my baby.

I took parenting classes at the Center, and attended Bible study. At parenting classes I learned how to take care of myself and the baby. In the Bible study I learned how to draw closer to God and how to make good choices for my future. During that time I decided that I'm worth waiting for, and I made a promise to remain abstinent until I'm married.

Today I'm a proud mother of a baby boy. I want to go to college and plan to begin classes soon.

Thank you, Rachel Center!!

The need is great for Christian women (and men) to volunteer their time and talents. Please ask the Lord if you might be the answer to this prayer.
