Religious Education

Celebrate our youth and young adults.

Our youth and young adults are the future of our church, encourage them to take an active role in the ministry of our Catholic faith.

Pope Francis recently moved the Global Celebration of Youth from Palm Sunday to the Feast of Christ the King. The original institution of a global celebration of youth and young adults was carried out by St. John Paul II in 1985 who reminded Catholic leaders that: "All young people must feel that they are cared for by the Church. Therefore, may the entire Church on a worldwide level, in union with the Successor of Peter, be more and more committed to young people, to their concerns and worries and to their aspirations and hopes, so as to meet their expectations by communicating the certainty that is Christ, the Truth that is Christ, the love that is Christ."
