Please join the Knights of Columbus for a  
fun-filled afternoon. See you then!

On behalf of the Oregon Knights of Columbus, I wish to extend sincere appreciation for the great effort Brother Knights across the State did during the initial signature signing which eventually evolved to be a Measure of the recent State Ballot and for their on-going promotion of Ballot Measure 106 till the end.

I am disappointed that the Oregon voting population don't share the same moral values we do or perhaps they don't really believe/understand that their tax dollars are used for this topic.

This outcome sort of coincides with what KC Supreme Knight Carl Anderson mentioned to me during our recent State Deputy Mid-Year Meeting this past weekend when I mentioned that Oregon has the great title as the "most un-churched state" in the union: *"You folks are still like missionaries in new area"* he said.

As Knights we will continue our emphasis and efforts for Catholic Christian Values regarding life issues. Currently 5 new ultrasound sound machines have been placed in 4 areas during the past 13 months and it appears another area has interest in having one. (New machines in Bend, Medford, Canby area and 2 at the Hope PRC in Salem.) Perhaps some day soon, these machine will be the primary option considered by the person with the unexpected or unwanted pregnancies, that abortions won't exist!!

Continue to trust in The Lord that all the efforts extended to have this Measure 106 on the ballot was not in vain. God Bless, and Vivat Jesus' Fraternally,

Francis Mohr, State Deputy  
Oregon Knights of Columbus  
*"Come Holy Spirit"*
