Thinking about Separation or Divorce?

Is your marriage or that of a relative or friend heading for divorce? Do you know how to save that marriage? Or do you feel helpless? Retrouvaille is designed to help troubled marriages regain their health. It helps spouses uncover or re-awaken the love, trust and commitment that originally brought them together. The program is highly successful in saving hurting marriages, even bringing reconciliation to couples who have already separated or divorced. For confidential information about or to register for the program beginning with a weekend on January 17-19, please call 1-503-225-9191 or visit www.helpourmarriage.org
