FORMED is offering a series well worth watching during this time of Eucharist Revival "Presence: The Mystery of the Eucharist".

FORMED describes it as a series that explores the truth and beauty of Christ's Real Presence in the Eucharist, from its origins in Sacred Scriptures to its profound role in the life of the Church and her members. It consists of four (4) sessions each approximately 30 minutes: God is with Us, The Story of the Eucharist, Bread for the Journey and Biblical Foundations of the Eucharist.

Replacement of the Cathedral Stairs

Replacement of the front stairs is scheduled to begin the first part of July 2023. This will be an enormous undertaking and will cause some inconvenience to our parishioners.

- The front steps and the elevator will be unavailable for use during the entire project.
- The only entrance to the Cathedral will be the stairs located on the East and West side of the building.
- The restrooms will be closed off, however there is one available near the day chapel.
- There will be no coffee hour and the parish hall will be closed.
- The only access to the choir loft will be via the stairs.
- For those who cannot use the stairs the chair located at the entrance to the day chapel will be the only handicap access.

The question as to ADA access during construction is answered: The ADA does not apply to religious organizations and private clubs.
