THE ASSUMPTION OF THE BLESSED MOTHER.

The Assumption of Mary refers to the belief that Mary, the mother of Jesus, was taken up body and soul into heaven at the end of her earthly life.

This doctrine has roots in early Christian tradition and was formally defined as a dogma by Pope Pius XII in 1950.

It is celebrated annually on August 15 as the Feast of the Assumption, a holy day of obligation.

This reflects Mary's unique role in salvation history as the mother of Christ and her sinless life.

The Assumption differs from Christ's Ascension, as Mary was assumed by God's power, not her own.

This teaching holds deep spiritual meaning pointing to the promise of resurrection and eternal life.
