Thomas was not present when Jesus met with the disciple after he rose. This made Thomas the biggest doubter, he told the disciple "I won't believe it until I see it with my own eyes."

Today's Gospel tells us that, a week later, Thomas did see Jesus. Jesus told Thomas he may touch his hands and put his hand in the wound in his side. Then Thomas believed it was Jesus. He also told Thomas that there would be many who would never have a chance to do what Thomas did, but they would believe and they would be blessed.

This week talk about your Baptism and how it makes you a child of light. In Baptism, you receive the Light of Christ and you also receive the power to be like him. Ask Jesus to help you shine your light on others so they will come to know you and believe in you.

Many thanks go to all you women who were able to attend our retreat with Bishop Cary on March 12.

We had women from Baker, Halfway, and La Grande! To those women who were unable to attend, I hope you will be able to come next time we are able to arrange a Day of Reflection.

Special thank you to Kathy Fisk for arranging for the delicious lunch and snacks for the retreat as well as the ladies who brought the food for all of us to enjoy. All of us were truly blessed by your making this day possible for us to pause and reflect. Thank you again, Tay Mohr

Thank you to all of the donors and people who helped with this year's Easter Egg Hunt. It was a huge success! Colleen Collier

Annual Chili Feed & Silent Auction—April 16th

Besides some excellent 'house chili' PLUS those entered in the 'tasting contest', this event will also feature a Silent Auction. We welcome all new and/or "gently-used" items. So look around the home, garage, ranch buildings for items you no longer use or want.

As last year, there will be special tables for Christmas items, you no longer intend to use. Mark your calendar, check your chili recipe, look for silent auction items.

PLAN TO ATTEND !!
