High School Graduates Prayer

Father,

I have knowledge so will you show me now, how to use it wisely and find a way somehow to make the world I live in a little better place, and make life with its problems a little bit easier to face. Grant the faith and courage and put purpose in my day, and show me how to serve thee in effective ways so my education, my knowledge and my skills may find their true fulfillment and learn to do thy will and may I ever be aware in everything I do, that knowledge comes from learning, and wisdom comes from you. Amen

Congratulation to Keaton Bachman, Celina Fuzi and Gracie Hardy. We wish you all the best in all you do and accomplish. Job well done!

K C News

The State Knights of Columbus Quarterly Newsletter (Columbian) has joined in with our Parish Cathedral Web-site. Printed copies of this newsletter are no longer available. If you do not have a computer but want to have the newsletter, call our Financial secretary Hal Huntington or Francis Mohr to have a copy printed for you. Otherwise, for you members that have computers, the time has arrived that more and more communication both from the Supreme Office and the State will be done via the Internet. Postage cost is eating up the budget! **Added** last week was a link to (1) the Knights of Columbus State Newsletter (Columbian) and (2), an area for Baker City Council 849 news or announcements. Check it out: (www.saintfranciscathedral.com). Also if you want to re-visit one of the weeks or events of the past in the Columbian --- there it is.

Major Topics from Last Thursday Meeting

After two good years, current Council Grand Knight J. R. Vela is soon to join the ranks of the "Immediate Past GK(s)." At the Council Meeting last Thursday, the first reading of candidates was announced by the Board of Trustees. Voting will be done at the **June Meeting—June 18th**. Plan to attend.

The Council **unanimously voted to respond to help a 'parishioner in need.'** Funds were taken from the Council's "Designated Assistance Account" to assist with the immediate need for overwhelming medical expenses. A suggestion was also made to sponsor a fund-raiser in the near future, as the family is financial strained. At this time, **please re-assess your needs; what 'gently-used' items about your home, garage or ranch you don't need any more and could be used in the event this fund-raiser involves a silent auction item. More later!**

Catholicism, The Journey of a Lifetime
